**The Limestone Heritage Festival** is an annual festival that celebrates Lawrence County's rich limestone heritage and is the culmination of a month-long "Limestone Month" celebration each June. This festival provides a wonderful opportunity for the community to come together and enjoy a patriotic celebration of Bedford's legacy as the Limestone Capital of the World. The Limestone Heritage Festival is celebrated the last weekend in June with musical entertainment, food vendors, fireworks, a live limestone carving exhibit, the Limestone Heritage Festival Parade, and much more. Several thousand are in attendance during this weekend celebration.

**Bedford's Christmas Around the Square** takes place the first Saturday in December. The community comes together to kick off the holiday season with a variety of activities packed into the day featuring Live Reindeer, free photos with Santa, the Bedford Christmas Parade, shopping all around the square, food trucks & vendors, in addition to an open air Christmas market.

**The Bedford Revitalization Inc. Design Committee** focuses on the historic preservation of our downtown, the eye-catching aesthetics that brighten up the square, in addition to a variety of projects throughout the year.

**Bedford's Scare Around the Square** offers a fun and festive downtown Halloween experience. Our Downtown Merchants host an early trick-or-treat event, followed by a free movie for families to enjoy at Harp Commons at dusk.
