The Limestone Heritage Festival is an annual festival that celebrates Lawrence County's rich limestone heritage and is the culmination of a month-long "Limestone Month" celebration each June. This festival provides a wonderful opportunity for the community to come together and enjoy a patriotic celebration of Bedford's legacy as the Limestone Capital of the World. The Limestone Heritage Festival is celebrated the last weekend in June with musical entertainment, food vendors, fireworks, a live limestone carving exhibit, the Limestone Heritage Festival Parade, and much more. Your generosity makes this community celebration possible, along with volunteers who invest their time and talents for all in the community to enjoy.
