

FOR IMMEDIATE RELEASE

CHANGE OF DATE – BEDFORD FIREWORKS DISPLAY

SATURDAY JULY 2nd – Downtown Bedford

Due to a high probability of rain in the Bedford area on the 4th of July, Bedford Revitalization Inc. has decided to change the date of the community fireworks display to **Saturday July 2nd**. The decision to advance the schedule, versus postponing to later in the week, had to do with aligning schedules with the pyrotechnic service provider, in addition to providing a centralized community celebration. BBQ at the Quarry will already be taking place on Saturday July 2nd and will now include the Limestone Heritage Festival Fireworks display at dusk. The fireworks display will be visible from the Downtown Square and surrounding area.

Other events scheduled for Monday July 4th **will still proceed** as scheduled. The Veteran's Breakfast taking place at Golden Corral on Monday July 4th will take place at 7:30am. The plan for the Limestone Heritage Festival Parade is to continue as scheduled. Should thunderstorms be occurring in our area at 9am on Monday July 4th, the parade will be canceled.

The community is encouraged to stay connected to changes or announcements by following Parades of Bedford or Facebook and the parade website - www.bedfordinparades.com. Information will also be posted on BRI's website - www.downtownbedford.org.

BRI Event Chairs

BBQ at the Quarry – David Pace

Limestone Heritage Festival – Elizabeth Andry & Bethany Morris

Limestone Heritage Festival Parade – Lisa Grissom
