The Limestone Heritage Festival is an annual festival that celebrates Lawrence County's rich limestone heritage and is the Kick-off of "Limestone-Month" celebrated each June. This festival provides a wonderful opportunity for the community to come together and celebrate Bedford's legacy as the Limestone Capital of the World. The Limestone Heritage Festival is celebrated the first Saturday in June with musical entertainment, food vendors, a live limestone carving exhibit, family friendly activities, and much more. Your generosity makes this community celebration possible, along with volunteers who invest their time and talents for all in the community to enjoy.

Bedford's Christmas Around the Square takes place the first Saturday in December. The community comes together to kick off the holiday season with a variety of activities packed into the day featuring Live Reindeer, free photos with Santa the Bedford Christmas Parade, shopping all around the square, food trucks & vendors, in addition to an open air Christmas market.

The Bedford Revitalization Inc Design Committee focuses on the historic preservation of our downtown, the eye-catching aesthetics that brighten up the square, in addition to a variety of projects throughout the year.

Bedford's Scare Around the Square offers a fun and festive downtown Halloween experience. Our participating Downtown Merchants host an early trick-or-treat event before dark.
